Your responsibilities

Items being returned are at **your cost**, unless they are proven faulty. Please make sure that you send them back to us in the same condition as you received them with everything that came in the box. If you do not send the item(s) back in their original condition, we may be unable to process your refund. We recommend you send parcels back to us well packaged, ideally on a signed, tracked and insured service. We cannot be held responsible for parcels that get lost in the post! Always make sure the package is clearly labelled **RETURNS DEPARTMENT**.

Our full terms and conditions are available on our website and if you have any questions, please do not hesitate to drop us an email; we are always happy to help.

Much love,

Team Machine
